

## Client Policies and Agreement Statement - True North Massage LLC

Please read the following Agreement Statement carefully. It contains policies that are important for your massage therapy session. If you have any questions on any of the items, please ask for clarification. When you have completed reading the form, please initial each item, then sign and date at the bottom.

All the information given on my intake form is correct and up to date. I take it upon myself to update any pertinent information in my health during future visits.

I understand that the therapist does not diagnose, treat, or prescribe for any illness, ailment or disease and does not do spinal manipulation. It is clear to me that this massage is not a substitute for medical examinations and/or diagnosis, and it is recommended that I see a physician for any physical ailments.

I am aware that this is a non-sexual massage. Any misconduct or inappropriate behavior in that arena will result in immediate termination of the massage with full payment due.

I understand that for my own safety, as well as the safety of my therapist, it is unacceptable to receive bodywork while under the influence of alcohol or illicit drugs of any kind.

I understand that I am always in control of my body during my session and will feel free to comment on the comfort or discomfort of the amount of pressure or type of stroke used. I can say "stop" at any time during the session.

I understand that I will be fully covered with a sheet or blanket (known as a "drape") at all times and only the body part being worked on will be uncovered.

I understand that 24 hours notice of cancellation is required; otherwise I will be required to pay \$20 for either a late cancellation or missed appointment.

I assume full responsibility for my personal belongings.

If I am going to be late for an appointment, I agree to call as soon as possible and understand that my time may be shortened as a result.
